Beautiful Textures! (page 32)
Open Comfort with removable footbeds.

Indoor/Outdoor Slippers! (page 36)
The Ultimate in Comfort!

BELIEVE IN COMFORT

Dr. Comfort manufactures footwear with a purpose of helping people remain active. Our shoes are primarily available through health care providers who specialize in foot health. Proper footwear can help prevent more serious complications for those at risk. If you qualify, Medicare or other insurances may help cover the cost.* While our shoes are designed for those at risk, they also provide the quality, comfort and style anyone looking for a great pair of shoes will love. **Nobody** beats our comfort.

SHAPE^{TO}fit™
 compression wear

Finally—a quality solution at an affordable price! Designed with simplicity and style in mind, Dr. Comfort's new Shape-to-Fit compression wear combines innovative materials and technology with attractive styles for both men and women. A seamless toe design, easy on/off system, and simple color coded packaging for proper compression level selection are just a few of the many unique features of this complete line of medical compression wear.

Ask your Dr. Comfort provider about all the great benefits of Shape-to-Fit compression wear, or call Dr. Comfort for more information.

Great styles for Women...
 ...and for Men.
